His career record at Weber State is 193-283 overall and is 101-139 in Big Sky Conference games during his 16 seasons with the Wildcats. Weber State defeated Montana in the first round, before falling to conference champion Eastern Washington in the second round.

In 1993 Givens became the ninth head volleyball coach at Weber State University. Under Givens the Wildcats have received 35 Big Sky All-Conference honors, including five players appearing on the First Team, with two in each of the last two seasons. His 1979 and 1980 teams won conference titles, and the 1979 team went on to finish second at the divisional playoffs and fifth at the State tournament.

Over the past 33 years, Givens has coached at the high school, Club volleyball, Community College, and NCAA Division One levels, and has been an Assistant Coach for the USA Olympic Festival on two separate occasions. Givens was also the coach for

the Intermountain Region USA High Performance 18 and Under Junior Team. The team took the silver in the Global Challenge held in July 2005 in Salt Lake City. He currently coaches with Club Xtreme.

In 1981 Givens also began coaching at Arizona Western College in Yuma. He posted a 37-40 record during his three-year tenure at the junior college, turning around a program that went 0-22 the year before his arrival.

Givens left Arizona Western in 1984 to take the assistant job at the University of Mississippi. As an assistant coach he helped the Rebels to a 21-13 record and in 1985 was named head coach at the school. In his one year as head coach at Ole Miss he led the team to a 29-15 record and a third place finish at the Southeast Conference Tournament.

THE BIG SKY CONFERENCE

The Big Sky Conference enters its 47th year of athletic competition in 2009-10. The Big Sky is an NCAA Division I member in all sports, with member institutions classified in the Football Championship Subdivision (formally I-AA). The Big Sky returned to a nine-team format in 2006 with the addition of Northern Colorado.

The current lineup includes Eastern Washington, Idaho State, Montana, Montana State, Northern Arizona, Northern Colorado, Portland State, Sacramento State and Weber State. The league has become one of the strongest Division I conferences in the West and is a national leader in the Football Championship Subdivision.

The Big Sky Conference was established in 1963 by six charter members – Idaho, Idaho State, Gonzaga, Montana, Montana State and Weber State. Those six schools formed the foundation of the Big Sky before the league expanded in 1970 by adding Boise State and Northern Arizona. Gonzaga left the Sky in 1979 and was replaced by Nevada, which gave the league eight members. The conference grew to nine schools in 1987 with the addition of Eastern Washington.

The 1990s saw change in the makeup of the league, beginning in 1992 when Nevada departed and put the Big Sky back at eight teams. In 1996 Boise State and Idaho left and at the same time the conference added Portland State, Sacramento State and Cal State Northridge. The Big Sky maintained nine teams for five years before Cal State Northridge departed in the spring of 2001.

With the addition of Northern Colorado, the Big Sky spreads across eight states spanning from the Pacific Ocean to the Rocky Mountain Front. The Big Sky is represented along the entire west coast with schools in Washington, Oregon and California. League schools also range up and down the Rocky Mountains with institutions in Montana, Idaho, Utah, Arizona and now Colorado. Of the eight western-most states in the contiguous United States only one, Nevada, is not represented in the Big Sky.

On Feb. 25, 1963, the name Big Sky was adopted by the six presidents of the charter members as the name of the new conference. The name Big Sky originated in a novel written by the late A.B. (Bud) Guthrie of Great Falls, Mont., in 1947 entitled "The Big Sky." Jack Hollowell, a former Montana advertising director, promoted the Big Sky theme for the Treasure State. While on a track and field trip from Pocatello, Idaho, to Missoula, Mont., the legendary Dubby Holt of Idaho State saw a "Welcome to Big Sky Country" sign as his team entered Montana. Holt, and his athletes thought "Big Sky" would be a perfect name for the new conference. Harry Missildine of the Spokane Spokesman-Review called for the newly formed league to be named the Big Sky Conference in his column Feb.. 20, 1963.

The Big Sky sponsors championships in 14 sports, including men's and women's cross country, indoor and outdoor track and field, basketball and tennis. In addition, there are also championships in football, and women's volleyball, golf and soccer.

The 2008-09 season will mark the 21st year that the Big Sky Conference will sponsor championships in women's sports. The former Mountain West Conference existed from 1982-88, sponsoring championships for women's sports at the same institutions the Big Sky had men's programs. The Big Sky merged with the Mountain West in 1988, forming one league for both men and women.

Doug Fullerton, the fifth commissioner of the Big Sky Conference, will enter his 14th year at the helm. Fullerton took over the Big Sky on July 1, 1995, replacing longtime commissioner Ron Stephenson. Stephenson served the league for 14 years. Steve Belko was the commissioner from 1977-81 while John Roning held the post from 1971-77. The first league commissioner was Jack Friel, who served from 1963-71.

WEBER STATE UNIVERSITY

THIS IS... WEBER

Weber State offers 215 undergraduate degree programs—the largest and most comprehensive undergraduate offering in the state. In addition, the university offers eight graduate degree programs, an array of professional certificate programs, online education and the Early College Program, which helps high school students get a jump on college. WSU is accredited by the Commission on Colleges of the Northwest Association of Schools and Colleges.

Weber State is one of the top undergraduate universities in the country. Students at Weber State get extra attention from full-time professors who teach classes. Three out of four courses offered at Weber State have fewer than 30 students.

Weber State has students from all 50 states and from over 40 different countries around the world. Weber State University prides itself in being a diverse college campus. There are approximately 18,000 full and part-time students at Weber State.

The new University Village, built in 2002, is located on the south edge of campus and across the street from the Dee Events Center. The University Village offers students modern living quarters. A shuttle takes students to campus throughout the day.

STATE UNIVERSITY

Weber State was founded as Weber Stake Academy on January 7, 1889 by the Weber Stake Board of Education of the Church of Jesus Christ of Latter-day Saints. In 1933 the Utah Legislature established Weber as a junior college. The school became a four-year institution in 1963. The enrollment that year was 4,675. The name was officially changed to Weber State College in 1963. In January 1990 the Legislature upgraded the school making it Weber State University.

The C. William and Bernice Stromberg Weight Training Center is nearly 6,000 square feet. The room is designed with emphasis on free weight training and is carpeted with purple AstroTurf and is glass enclosed with a view of the Wasatch Mountains to the north and east.

Elizabeth Dee Shaw Stewart Stadium is the home to Weber State football, outdoor track and field, and the athletic department offices, and hosts a variety of campus and community events throughout the year. The stadium is located on the east hillside above campus and overlooking the city of Ogden. The new Sky Suites and Press Box complex opened in 2001 and is six stories high with 26 luxury suites and a large press area.

WEBER STATE WILDCAT ATHLETICS

Weber State University sponsors 16 NCAA athletic teams. The Wildcats are charter members of the Big Sky Conference, having been members of the Big Sky since the league's inception in 1962.

Weber State sponsors nine women's sports: basketball, volleyball, soccer, tennis, golf, cross country, indoor track and field, outdoor track and field, and beginning this season softball. There are seven men's sports: basketball, football, tennis, golf, cross country, indoor track and field, and outdoor track and field.

The 2008-09 season saw many highlights for the Weber State athletic department. Three teams captured Big Sky titles during the season, including the football team who won the Big Sky title for the first time in 40 seasons. WSU also advanced to the NCAA FCS Playoffs for the first time in 17 years and had ten players earn All-American honors.

The Weber State men's basketball team finished with a 15-1 conference record, winning the conference title for the second time in the last three seasons. Kellen McCoy received league MVP honors. The Wildcats also advanced to the NIT postseason tournament.

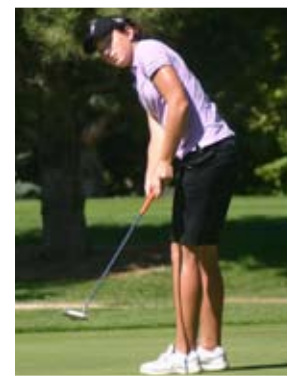

The WSU women's soccer team also won the Big Sky title with Hayley McCoy winning Offensive MVP honors and Rebecca Ritchie earning Defensive MVP honors.

Weber State captured the Big Sky Conference Men's All-Sports Trophy for the 2008-09 season. The 'Cats captured the Big Sky title in football and men's basketball and finished second in cross country and outdoor track, tied for third in tennis, and fourth in indoor track and field. The victory was WSU's conference-record 15th Men's All-Sports Trophy but the first since the 2001-02 season.

Weber State also excelled off the court as well as 115 athletes were named to the Big Sky All-Conference Academic Teams, the second most in the league.

The culmination of the season came when the Wildcats were announced as the winner of the Big Sky Conference Sterling Savings Bank Presidents' Cup for the second straight season and the fourth time in the seven year history of the Cup. The Presidents' Cup is an award that recognizes a combination of academic and athletic achievement.

REED K. SWENSON GYMNASIUM HOME OF WILDCAT VOLLEYBALL

The Weber State women's volleyball team plays its home games at the Reed K. Swenson Gym on the WSU campus. The 2009 season will mark the fourth year the Wildcats have returned to the Swenson Gym. After playing over 20 years in the Dee Events Center, the volleyball team returned to the Swenson Gym where they played for the first ten years of their history.

The Swenson Gym is part of the C. William Stromberg Center and the Swenson Building Complex. Starting in August 2005 the building underwent a complete renovation, including the Swenson Gym, which was built in 1962. The old Swenson Gym was home for the WSU volleyball team as well as men's and women's basketball, before all teams moved to the Dee Events Center which was built in 1977.

The Swenson renovation project was finished in August 2006, just in time for the start of the volleyball season. The Swenson Gym was renovated specifically with the WSU volleyball team in mind. As part of the renovation project new classrooms, faculty offices, teaching laboratories and an elevated track were added, and the pool received a new liner and gutter. Located downstairs from the gym, the Stromberg Center reopened with a newly resurfaced track and new racquetball floors.

The gym seats approximately 1,000 people and is a much more intimate venue for the Wildcat volleyball team. During the two seasons the Wildcats have been in the new Swenson WSU has posted 6-6 home records in both seasons. During 2007 the team had its highest home attendance average in school history at 597 fans per game. WSU's tough 3-2 loss to BYU on September 18 drew a season record 908 fans to the Swenson Gym.
